

WHAT WE OFFER

The EAA offers a monthly art competition in the 'Artists Gallery' for members & non-members alike, and a reception coinciding with the monthly 2nd Saturday 'Art Walk' arranged by the Downtown Business Association. Also, In conjunction with our monthly General Meeting, we arrange an art demonstration at the Park Ave. Community Center conducted by notable artists, with the opportunity for the participants to have their artwork judged by the demonstrating artist.

We offer annual competitions for emerging young artists, ages 6 - 18 and we hope to entice the interest for art in children and young people.

We promote our members through rotating exhibitions of their art at several locations in Escondido, as well as through our 'Artist of the Month' at the Escondido Public Library.

As a service to our members, a peer critique group meets to offer guidance and advice on works in progress or finished art works.

OUR FUNDING

We are an all volunteer membership organization and most of the funding stems from the annual membership fees. Several activities through the year enhance our finances and we solicit tax-deductible donations from individuals and the business community. Our Patron of the Arts donors' names are prominently displayed on a plaque in the Artists Gallery for the year, and are recognized on our website and in our E-Newsletters. When appropriate, we apply for grant money and we actively seek sponsorships for our various events.
