Escondido

Dear Members,

With the increasing number of COVID-19 cases affecting the entire country, and CA in particular, we have reversed our earlier decision to re-open the gallery with a new show for the month of July. Your safety, our Gallery volunteers safety and the safety of our gallery patrons is of primary concern. Therefore, the gallery will remain closed and we will weigh the risks later in July to determine whether or not it is safe to re-open for the month of August.

We will do another online show of artwork in our next Newsletter with the theme of "Our Country." Please take photos and send in your entries to me and Elaine Grivas, leeleeko@cox.net.

Stay well and rest assured that the Board is keeping your safety in mind and working hard at using this down time to clean, disinfect and make improvements in our gallery.

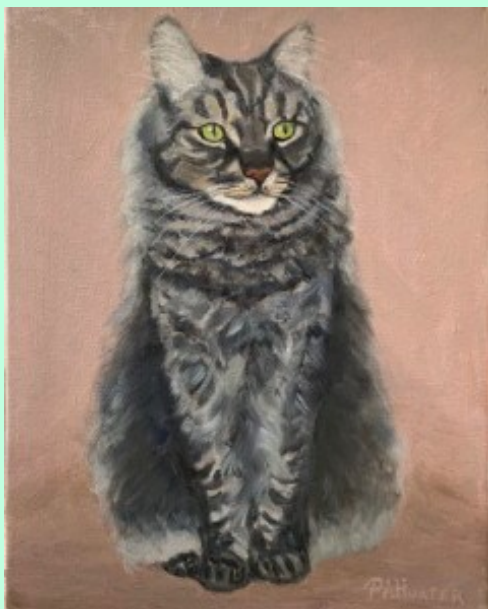

My thanks to Rosemarie Woldin for composing this email to help me. I've been busy on other matters recently.
